Frequently Asked Questions – ‘Top up & Win’ Campaign

1. What is the ‘Top up & Win’ campaign about and how long would the campaign run for?

The ‘Top up & Win’ campaign is a lucky draw that rewards our customers for using the SimplyGo app to do top-ups for their EZ-Link cards and charms. The campaign runs from 2 June 2025 to 31 August 2025.

2. How do I earn chances to win in this campaign?

With every top-up made (minimum of \$10) using the SimplyGo app, you earn a chance to be in the running to win the EZ-Link charm(s) featured during the qualifying campaign period. The more top-ups you make with the app, the more chances you earn. Here’s a breakdown on how you can earn the lucky draw chances:

- 1 chance earned per top-up transaction with the SimplyGo app
- 1 chance earned per auto top-up transaction with the SimplyGo app
- Double the chances earned (2 chances per top-up transaction) when you switch from the EZ-Link app to the SimplyGo app for your top-ups made within each qualifying period.

3. How do I switch my top-ups from the EZ-Link app to the SimplyGo app?

If you have been using the EZ-Link app and do not have the SimplyGo app yet, you can download it on the App Store (iOS) or Google Play store (Android). After downloading the app, do follow the on-screen instructions to perform an account-sync on the SimplyGo app prior to performing top-ups.

4. I have applied for Auto Top-up. Would I qualify for the lucky draw if Auto Top-up transactions have been triggered to top up my card(s)?

Yes, each Auto Top-up transaction that has been triggered will earn you 1 chance. The more Auto Top-ups there are made during the qualifying period, the more lucky draw chances you have.

5. What are the cards/charms that I can top up to earn chances for the campaign?

Top-ups can be made to EZ-Link or Concession cards/charms, and SimplyGo EZ-Link or SimplyGo Concession cards/charms.

6. How do I check the number of chances that I have earned for this campaign?

The number of chances earned can be checked and calculated by the number of top-ups that you have made via the SimplyGo app. This would also include auto top-ups made on the SimplyGo app.

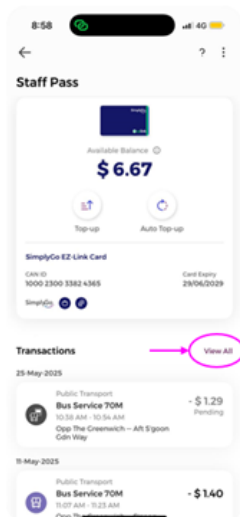

Each top-up made with a minimum top-up value of \$10 will count as 1 chance. If you have switched over from the EZ-Link app within the qualifying period, each top-up made with a minimum top-up value of \$10 will count as 2 chances.

FAQs

In order to find out the number of chances earned during a qualifying period, you may check on the SimplyGo app. Here's how to check:

Step 1: Select the card that top-ups were made for.

Step 2: Select <View all> to check all transactions.

Step 3: Select the month to view/check. Top-up transactions will be reflected as shown:

7. How do I participate and qualify for the lucky draw?

In order to qualify for the lucky draw, you have to use the SimplyGo app to top up your EZ-Link or Concession cards! Each top-up made using the SimplyGo app will be automatically tracked via our system. A computerised draw will select the winners based on the number of chances that you have accumulated for each qualifying period.
